

First Commonwealth Bank

Dear

Thank you for participating in Home4Good in 2024! Home4Good is a flexible grant program that supports projects, programs and activities that lead to stable housing for those who are homeless or at risk of becoming homeless. This year, FHLBank Pittsburgh was able to commit \$6 million to the Home4Good initiative. The three housing finance agencies in Delaware, Pennsylvania and West Virginia added an additional \$2.447 million, bringing the total amount available in 2024 to \$8.447 million.

Across our three states, we received 96 applications and we are able to provide awards to 95 projects, totaling the \$8.447 million.

We greatly appreciate First Commonwealth Bank’s support of the Home4Good program. In conjunction with our partner, the Pennsylvania Housing Finance Agency, we are pleased to share that the projects listed below were awarded funds.
